

CA-8100W Wireless Alarm Control Panel

Reference: CA-8100W
Product code: 21088100
EAN code: 8429898030975

Main characteristics

- Programming control with the Golmarsafe APP
- Network Connection : 4G,Ethernet
- RF protocol FSK with two way communication
- RF Frequency:868 Mhz Frequency hopping 128 AES Encyption
- Programmable sensors: 100
- Programmable RF remote: 32
- Programmable users: 64
- RFID Cards: 64
- Transmission range: Up to 800 meters in open air 10.
- Ping Detector interval: 36~128 Seconds
- CMS Protocol: Contacto ID,SIA(DC-09)
- Alarm Sound: 90dB
- Mobile bands: GSM,EGSM900MHz,DCS1800MHz LTE-FDD,B1,B3,B5,B7,B8,B20
- Source power supply: DC12V
- Backup battery life: Up to 18 hous with Ethernet disabled
- Dimensions: 164×164×35mm

More information

Specifications	
Installation	No wires
Technology	Via Radio
Communication Type	GSM 4G,LAN
Number of zones (max.)	200
Battery charger	Yes
Ventilation output	0
Alarm output	0
Signaling	Led,Acoustically
Input voltage (Vac)	0
Use	Indoor
Dimensions - High (mm)	164
Dimensions - Width (mm)	164

Accessories

- GolmarSafe KP-810W Wireless Keyboard
- GolmarSafe DA-302W wireless flood detector
- GolmarSafe PIR-910W Wireless Infrared Detector
- GolmarSafe CM-033W wireless magnetic contact
